

## About CauseLabs

Boilerplate text for press releases

CauseLabs re-incorporated in Texas on September 10, 2018 as the first Public Benefit Corporation and Certified B Corp in Fort Worth, Texas. Since 2003, the team at CauseLabs has helped companies solve problems and scale their programs using technology. Through strategy workshops, designing and developing custom web solutions, and analyzing data to measure results, CauseLabs has worked with hundreds of companies to use technology as a force for good.
